Subsidy request

Application for the 2024 Apprentice and Trainee Training Fund

Form Preview

Skills Tasmania pays a subsidy towards the total cost of training and assessment services in Tasmania. The subsidies are set in accordance with the [Skills Tasmania Policy Statement - Tasmanian Training Subsidy Policy](#) (Subsidy Policy).

The Skills Tasmania [list of qualifications approved as Tasmanian apprenticeships/traineeships](#) contains the subsidy payable for each qualification approved for delivery as an apprenticeship or traineeship.

Skills Tasmania reserves the right to accept applications for a subsidy above the published subsidy rate where the request meets the requirements of the Subsidy Policy. A detailed rationale for the higher subsidy request must be submitted in the application.

For interstate RTOs delivering training in Tasmania, it is expected that applicants consider costs in regard to planned travel to Tasmania to undertake training and assessment services, and workplace support for apprentices and trainees, when determining its subsidy request.
