Application for approval of a nationally recognised qualification as a Tasmanian apprenticeship/traineeship

* indicates a required field

This application is to be used to request the approval of a nationally recognised qualification to be made available to be delivered under a training contract as an apprenticeship or traineeship in Tasmania.

Qualifications already available as apprenticeships and traineeships can be found at <https://laureldw.stategrowth.tas.gov.au/default.aspx>.

NOTE - a training contract in this qualification cannot be entered into until the qualification has been assessed and approved by Skills Tasmania.

Approval of a qualification to be delivered under a training contract as an apprenticeship or traineeship does not guarantee the availability of a Registered Training Organisation to deliver this qualification as Tasmanian Government subsidised training. Delivery of training is subject to confirmation of an RTO having an active funding agreement under the Apprentice and Trainee Training Fund (ATTF). Further information on submitting an application for funding under the ATTF should be directed to attf@skills.tas.gov.au
